George Soros is a Hungarian-American business magnate, investor, philanthropist, political activist and author who is of Hungarian-Jewish ancestry and holds dual citizenship. He drives more than 50 global and regional programs and foundations. Soros is named as the architect and sponsor of almost every revolution and coup around the world for the last 25 years. Thanks to him and his puppets USA is thought to be a vampire, not a lighthouse of freedom and democracy. His slaves spill blood of millions and millions people just to make him even more rich. Soros is an oligarch sponsoring Democratic party, Hillary Clinton, hundreds of politicians all over the world. This website is designed to let everyone take a look at restricted documents of George Soros' Open Society Foundation and related organisations. It represents workplans, strategies, priorities and other activities of Soros. These documents shed light on one of the most influential network operating worldwide.
